Anyone for tennis?

I love all sports and have always wanted to ¹**be able to / can** play tennis. So, last year, at the age of 45, I decided to learn. I was really happy when I found a teacher who ²**was able to / could** give me lessons and so I started. Unfortunately, after the first few lessons, I realized that I'd never ³**can / be able to** play this game. One of the problems was that I ⁴**couldn't / wasn't able to** move fast enough because I am not very fit. The other problem is that tennis is not an easy sport to learn quickly. I hated ⁵**not can / not being able to** hit the ball over the net. It was really frustrating! Did I learn anything? Yes, I did... that I'll never ⁶**be able to / can** play tennis!

It's never too late

My 78-year-old grandfather ⁷**couldn't / wasn't able to** even turn on a computer until about two years ago. All that changed when he decided that he wanted to ⁸**can / be able to** use the internet and he did a course at his local Adult Education Centre. Although he really enjoyed the course, he ⁹**couldn't / wasn't able to** put what he learnt in his classes into practice because he didn't have a computer. So, for his birthday I bought him his own laptop and that's when he really started learning! Now, he ¹⁰**'s able to / can** use the internet really well and send emails. What he loves most is ¹¹**can / being able to** speak and see his grandchildren on Skype at least once a week. They live in Australia and if he didn't have a computer, he ¹²**couldn't / wouldn't be able to** keep in touch with them so much.
